Safita : Uhm... maybe?

Faisal : But... I never knew if this coffee shop is seeking a waitress.

Safita : Sssstt! Stop overthinking and give my money already.

Teja : Fiya, how about your english assignment? You have finished it, right?

Fiya : Yes, I have. That's easy, just make an essay with 5 paragraphs and the topic is up to you. By the way, it's kind of strange you didn't finish your assignment yet. Usually, you are the first one who gets it done.

Teja : Hehe actually I have a lot of things in my mind, there is a financial problem i have to face, so I am kinda disturbed because of that, you know.

Fiya : Oh, I see. Problem is certain things in life. If there's a will, there's a way. However, you need to keep focus on your study.

Fiya : Okay... I have to go now, see you later.

After Fiya left the classroom, Teja immediately called Faisal because his offer was quite tempting and kept him thinking about it all day.

Teja : Are you serious bro? (*shocked*)

Faisal : Yes bro, I'm serious. You can see my lifestyle, I have everything that you can't have.

Teja : Ah, no man, I can't do that or my problem will get bigger.

Faisal : But this is the only way to get out of your problem. (*trying to convince*)

Teja : (*awkward silence*)

Teja : Yes, I want to, because I need so much money as soon as possible.

Teja : Uhm... when can I get that thing and sell it?

Safita : Here. (*handing Teja a plastic full of drugs*)

Safita : About the price, ask Faisal. I will share with you the profits later, after you sold them all.

Teja : Woahhh, thank you!

After Fiya left the room, Audi immediately chased her.

Fiya : Okay, it's done. Don't forget to submit it to AULA

Teja, Faisal: OK~

Fiya : Bye, see you tomorrow (*walk away*)

Audi : (*talk to herself*) Hmm.. Who is she? This is the first time I saw her here. I think she's a nice girl..

Audi : ASSHA! (*chase Fiya*)

Audi : Hey! Excuse me!

Fiya : Eh!? What's wrong?

Audi : Rrr... (*confused*) are you friends with those guys over there?

Fiya : Yes, I am. Can I help you?

Audi : Can we talk for a minute?

Fiya : Pardon? I think you have the wrong person.

Audi : No, I'm not. I've been keeping an eye on them for a month. I'm pretty sure that I'm not wrong. (*Showing her ID card*)

Fiya : Really!? I can't believe you do that, Teja...

Audi : It's too late now, Fiya. Supposedly, you, as a friend, should be more sensitive to your friend's condition. So, something like this won't happen.

Fiya : I-I'm so sorry.. I feel so bad now.

Audi : Huft... so here it is Teja, I understand your situation, I've also been in your position. But, your decision was totally wrong. Using and selling drugs is not permitted under national law.
